"The Martian" by Andy Weir will be discussed at 3pm on Saturday, March 11, at the Sequim Branch of the North Olympic Library System (NOLS). All are welcome to drop in and participate.

"A mission to Mars. A freak accident. One man's struggle to survive. Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there...As he overcomes one seemingly insurmountable obstacle after the next, Mark begins to let himself believe he might make it off the planet alive. But Mars has plenty of surprises in store for him yet." (goodreads.com)
