No baking class needed, just a library card! The North Olympic Library System (NOLS) will take part in OverDrive's Big Library Read program, the world's largest global eBook reading club, connecting millions of readers around the world with the same eBook at the same time. NOLS patrons will have unlimited downloadable access to one of 2016's best-selling cookbooks from March 16 through March 30. To borrow your copy of the eBook, visit the NOLS OverDrive website, also known as the Washington Anytime Library, at [www.nols.org](http://www.nols.org). Big Library Read is facilitated by OverDrive, the leading platform for eBooks and audiobooks available from libraries.

### **About the book**

Pie-guru and local author Kate McDermott has taught the time-honored craft of pie-making to thousands of people. Her pies have been featured in USA Today, The New York Times, The Boston Globe, Real Simple, [Oprah.com](http://Oprah.com), NPR, and more. In the *Art of the Pie* she shares her secrets to great crusts, fabulous fillings, and to living a good life. Kate provides dozens of recipes for all the pie combinations you can dream up, with hints helpful to even the most experienced pie baker.
