Coloring isn't just for kids anymore! The North Olympic Library System (NOLS) will present *Coloring Outside the Library* at 6:30pm on Monday, March 27th at The Metta Room in downtown Port Angeles. Adults ages 21 and older are invited to unwind with a beverage and coloring pages during this informal hour of creativity. With the onslaught of information in this age of technology, it is a sweet relief to have some time to disconnect and unwind. Coloring can be whatever experience you're looking for -- mindful, artistic, healing, or simply social. Color outside the Library with NOLS!

### **More information**

This is the third NOLS *Coloring Outside the Lines* event. The January event brought 40 individuals in from the cold to enjoy time socializing and relaxing. The March event will welcome spring with a plethora of flora and fauna themed coloring pages! Attendees can choose from the provided designs or are welcome to bring their own. This event is for adults ages 21 and older and is free and open to the public. The library will provide all artistic materials necessary. Food and drink will not be provided, but attendees who choose to do so may purchase from The Metta Room.

The Metta Room is located at 132 E Front Street in Port Angeles. To learn more about this and other upcoming programs for adults and families, call the Port Angeles Main Library at 360.417.8500, email [Discover@nols.org](mailto:Discover@nols.org), or visit [www.nols.org](http://www.nols.org).
