The North Olympic Library System is partnering with *Sync* this summer to provide free audiobook downloads. *Sync* is a free summer audiobook program for ages 13 and older. Beginning April 27, *Sync* will give away two complete audiobook downloads a week – pairs of high interest titles, based on weekly themes. Simply sign up to get notifications of when the free audiobook downloads are available! You can receive alerts by text message, email newsletter, or by visiting www.audiobooksync.com. Titles will update every Thursday at 10am.

Sync seeks to develop the audience of audiobook listeners by providing free audiobook downloads during the program dates. *Sync* is sponsored by AudioFile Magazine and titles are delivered through the OverDrive app. Audiobook downloads are in MP3 format, hosted by OverDrive, and are Mac and Windows compatible. Each *Sync* audiobook title will be available for download for a period of 7 days only. Once titles are downloaded, they are yours to keep! The *Sync Summer Audiobook Program* runs from April 27 to August 16, 2017.

For additional information about this and other upcoming programs at your Library, visit www.nols.org, email discover@nols.org, or contact your nearby NOLS branch location.

The Sync Summer Audiobook Program runs from April 27 to August 16, 2017.
