As part of the North Olympic Library System's annual Summer Reading Program, the Port Angeles Main Library presents *Donuts & Books!* for young people ages 12-18 years old, on Monday, July 10 at 11am.

Have a donut and "taste" a book. Sample new young adult book titles and different genres that you wouldn't normally read. Your taste buds will thank you! We will also share tools and tips on finding your next great read. Bring your favorite book titles to share with participants or just sit back and enjoy a donut.

### **More Information**

The theme for the 2017 Summer Reading Program is *Build a Better World*. This summertime celebration, which encourages children to keep reading during the summer break from school, features a reading challenge and a multitude of events for all ages. Research shows that children who do not read during the summer experience "summer slide" and may lose up to a month of the instructional knowledge they gained during the previous school year. Library summer reading programs have been shown to help alleviate the "summer slide" by providing access to books, enrichment activities, and encouraging young people to keep reading. The Summer Reading Program runs through Saturday, August 19.

The Summer Reading Program is generously supported by the Friends of the Library at all four NOLS libraries. For more information about the Summer Reading Program and other events for young people, visit [www.nols.org](http://www.nols.org), call 360.460.8500, or email [youth@nols.org](mailto:youth@nols.org). The Port Angeles Main Library is located at 2210 S. Peabody.
