As part of the North Olympic Library System's annual *Summertime Music! Outdoor Concert Series*, Geoffrey Castle will be performing at the Sequim Branch Library on Friday, August 18, at 6pm on the outdoor stage behind the library.

### **About the band**

"Geoffrey Castle is a pioneer on the electric six-string violin. From his beginnings as a street musician in New York City and Paris, he rose to play in the Tony Award winning Broadway production of *M. Butterfly*. A theme of Castle's career is to destroy people's pre-conceived notions of what is possible on a violin, which he does every time he takes the stage. A bandleader and solo artist—with several critically acclaimed releases on his own Twisted Fiddle Music label—Geoffrey Castle has also managed to share stages with an illustrious group of musicians including Blues Traveler, all of the original and current members of Heart, Buddy Miles, and Alan White of Yes." (Castle's website)
