Re: *Kids Create Art* at the Sequim Branch Library

The popular *Kids Create Art* series at the Sequim Branch of the North Olympic Library System (NOLS) begins another season this fall with three new artists introducing new media and topics. These introductory art workshops will take place from 10:30am to 12pm on the third Saturday of the month from October through April.

Led by local artists, each Kids Create Art session—recommended for ages 7 to 12—will offer participants an opportunity to explore various artistic media. All workshops in the series are free, but with class sizes limited, **pre-registration is required**. To register, visit the Sequim Branch Library events calendar at www.nols.org, call 360.683.1161, or send an email to youth@nols.org. All materials will be provided.

Class Schedule

On **October 21**, Sequim artist Tricia Murphy will offer young artists an opportunity to work with chalk pastels exploring elements of line and texture as well as principles of contrast and proportion. A fun seasonal multimedia art project which will result in a brown paper bag barn owl!

On **November 18**, artist Janie Brackney, Certified Zentangle Teacher and artist, will introduce the Zentangle Method, an easy-to-learn, relaxing and fun way to create beautiful images by drawing structured patterns.

On **December 16**, artist Lauralee DeLuca will introduce fiber arts, and offer participants a chance to get super clean, have fun, and felt a bar of soap to use or give as a gift. This process will utilize the ancient technique of wet felting in a modern way.
