The Second Tuesday Book Discussion Group meets at the Port Angeles Main Library of the North Olympic Library System (NOLS) every second Tuesday of the month at 11am. On Tuesday, January 9 the group will meet to discuss Denise Kiernan's *Girls of Atomic City*.

During World War II, Oak Ridge, Tennessee was home to 75,000 residents, consuming more electricity than New York City. Thousands of civilians, mostly young women, were recruited, enticed by solid wages and war-ending work. Few would guess the true nature of the work done there. That is, until the end of the war and the secret was revealed. Interviewing the women who lived it, the author captures the spirit of the times through them: their pluck, desire to contribute, and enduring courage.

Copies of *Girls of Atomic City* are available in various formats including regular print, large print, audiobook on CD, and downloadable eBook, which may be requested online by visiting the library catalog at [www.nols.org](http://www.nols.org). A limited number of copies of each book discussion selection are available at the Library the month prior to each meeting. To view a complete list of the 2018 selections, visit [www.nols.org/book-discussion-groups](http://www.nols.org/book-discussion-groups)

This program is generously supported by the Port Angeles Friends of the Library. To participate, simply read the book and attend the discussion; no reservations are needed, and drop-ins are always welcome.
