Join your friends and neighbors for eye-opening journeys and inspired stories from some of today’s most innovative and gifted filmmakers at the *Documentary Nights!* film series. As part of the *Documentary Nights!* film series, a free screening of a Morgan Spurlock production, “Vegas Baby,” will be shown at 6pm on Tuesday, February 27, at the Sequim Branch of the North Olympic Library System (NOLS).

Some think an In Vitro Fertilization contest sounds crazy, but countless Americans desperate to start a family believe this social media experiment is their only hope. Oscar-nominated director Amanda Micheli’s provocative documentary follows several aspiring parents who desperately want to have a baby but are struggling with infertility and the high cost of treatments. They place themselves in the hands of a Las Vegas doctor and his annual contest, which offers a prize of a free round of IVF — with no guarantee of success. Contestants post their video entries on YouTube, counting on the votes of strangers to make their dreams of parenthood come true.
