Re: CreativiTea: Container Gardens
Attached: *glass jar terrarium.jpg*

Enjoy hot tea, creative inspiration, and good company at *CreativiTea*. Get your hands dirty and let your creative mind bloom while designing & planting your very own container garden with the North Olympic Library System and WSU Extension. Learn how to manage waste reduction with composting, propagate house plants, plant seeds, and create new containers from items around the house. Additionally, explore a new way to re-use old books with simple paper crafts. Join your friends and neighbors for *CreativiTea* at the Sequim Branch Library on Wednesday, April 4 at 6pm, or the Port Angeles Main Library on Thursday, April 5 at 6pm.

These workshops are appropriate for all ages, though youth should be accompanied by an adult. Registration is not required. All supplies and hot tea is provided. This program is generously supported by the Port Angeles Friends of the Library, Friends of the Sequim Library and WSU-Extension.

The Sequim Branch Library is located at 630 North Sequim Avenue. The Port Angeles Main Library is located at 2210 South Peabody Street. To learn more about this program, visit www.nols.org and select "Events," or contact the library by calling 360.417.8500 or sending an email to discover@nols.org.
