The North Olympic Library System will be offering free educational presentations about Social Security benefits and programs. Representatives from the Social Security Administration office will present at the Port Angeles Main Library at 12pm on Tuesday, April 24, and at the Sequim Branch Library at 2:30pm on Thursday, April 26. Topics discussed will include retirement information and preventing identity theft.

Social Security has provided financial protection for our nation's people for over 80 years. Chances are, you either receive Social Security benefits or know someone who does. With retirement, disability, and survivors benefits, Social Security is one of the most successful anti-poverty programs in our nation's history.

For more information about this and other upcoming programs at your library, visit www.nols.org, call the library at 360.417.8500, or email Discover@nols.org. The Port Angeles Main Library is located at 2210 South Peabody Street. The Sequim Branch Library is located at 630 North Sequim Avenue.
