Re: *Online Privacy and Cybersecurity Programs at North Olympic Library System*

How safe is it to use your credit card online? What is privacy in the age of social media? Tech guru Tyler Slater will discuss online privacy at the Port Angeles Main Library on Monday, May 7 at 6pm, and again at the Sequim Branch Library on Monday, May 14 at 6pm. Slater will talk about computer privacy and cybersecurity basics, and discuss best practices to safely navigate your online activity.

This program takes place during the American Library Association's *Choose Privacy Week*. This is an annual campaign encouraging libraries and patrons to think critically and make more informed choices about their online privacy. Find more information about *Choose Privacy Week* as well as a useful resources at chooseprivacyweek.org/resources/tools-to-protect-user-privacy.

More Information

For more information about this and other upcoming programs at your library visit www.nols.org, call 360.417.8500, or email Discover@nols.org. The Port Angeles Main Library is located at 2210 South Peabody Street in Port Angeles. The Sequim Branch Library is located at 630 North Sequim Avenue.

Online Privacy and Cybersecurity Programs to be held at NOLS.
