The North Olympic Library System (NOLS) is partnering with Olympic National Park for *Endangered Species Day Storytime*, which will feature a puppet show, stories, songs, and crafts that focus on biodiversity. This special storytime is geared towards children ages 3-5 years and will be held at 10:30am on Friday, May 18 at the Port Angeles Main Library. Olympic National Park staff will be present to answer questions. Space is limited, so come early for a seat!

Established by Congress in 2006, Endangered Species Day is a celebration of the nation's wildlife and wild places. The goal of Endangered Species Day is simple - to educate people about the importance of protecting rare, threatened, and endangered animal and plant species.

For additional information about Endangered Species Day, visit www.endangered.org/campaigns/endangered-species-day. To learn more about Olympic National Park and its programs for youth, visit www.nps.gov/olymp/learn/kidsyouth.

To learn more about this and other programs for youth, visit www.nols.org, call 360.417.8500, or send an email to Youth@nols.org. The Port Angeles Main Library is located at 2210 South Peabody Street in Port Angeles. This program is made possible by the generous support of the Port Angeles Friends of the Library.
