The Novel Conversations Book Discussion Group meets at the Sequim Branch Library of the North Olympic Library System (NOLS) every fourth Wednesday of the month at 4pm. On Wednesday, May 23, the group will meet to discuss *Being Mortal* by Atul Gawande.

In this personal account, Atul Gawande tackles the hardest challenge of his profession: how medicine can not only improve life, but also the process of its ending. Full of eye-opening research and riveting storytelling, Gawande asserts that medicine can comfort and enhance our experience even to the end, providing not only a good life but also a good end.

Copies of *Being Mortal* are available in various formats including regular print, large print, audiobook, and downloadable eBook, which may be requested online by visiting the library catalog at [www.nols.org](http://www.nols.org). A limited number of copies of each book discussion selection are available at the Library the month prior to each meeting. To view a complete list of the 2018 selections, visit [www.nols.org/book-discussion-groups](http://www.nols.org/book-discussion-groups).

This program is generously supported by the Friends of the Sequim Library. To participate, simply read the book and attend the discussion; no reservations are needed, and drop-ins are always welcome.

The Sequim Branch Library is located at 630 North Sequim Avenue. For more information about this and other programs for readers and book lovers, visit [www.nols.org](http://www.nols.org), email [Discover@nols.org](mailto:Discover@nols.org), or call 360.683.1161.
