National Disability Voter Registration Week is July 16 – 20. The American Association of People with Disabilities and EveryLibrary are bringing the REV UP Campaign to libraries across the country including the North Olympic Library System (NOLS). REV UP stands for Register! Educate! Vote! Use your Power! The REV UP Campaign coordinates National Disability Voter Registration Week each year in July to increase the political power of people with disabilities while also engaging candidates and the media to recognize the disability community.

The League of Women Voters will be assisting with on-site voter registration at NOLS locations at the following times:

Forks Branch Library: July 16, 2-4pm

Sequim Branch Library: July 17, 3-5pm

Port Angeles Main Library: July 18, 2-4pm

Visit the American Association of People with Disabilities website for additional information:
