The Novel Conversations Book Discussion Group meets at the Sequim Branch Library of the North Olympic Library System (NOLS) every fourth Wednesday of the month at 4pm. On Wednesday, July 25, the group will meet to discuss *The Forgetting Time* by Sharon Guskin.

Noah wants to go home. A seemingly easy request from most four year olds. But as Noah's single-mother, Janie, knows, nothing with Noah is ever easy. One day the pre-school office calls and says Janie needs to come in to talk about Noah, and no, not later, now—and life as she knows it stops. For Jerome Anderson, life as he knows it has stopped. A deadly diagnosis has made him realize he is approaching the end of his life. His first thought—I'm not finished yet. Once a shining young star in academia, a graduate of Yale and Harvard, a professor of psychology, he threw it all away because of an obsession. Anderson became the laughing stock of his peers, but he didn't care—something had to be going on beyond what anyone could see or comprehend. He spent his life searching for that something else. And with Noah, he thinks he's found it.

Copies of *The Forgetting Time* are available in various formats including regular print, large print, audiobook, and downloadable eBook, which may be requested online by visiting the library catalog at [www.nols.org](http://www.nols.org).
