Re: Book discussion of *Moonglow* by Michael Chabon at the Sequim Branch Library

The Second Saturday Book Discussion Group meets at the Sequim Branch Library of the North Olympic Library System (NOLS) every second Saturday of the month at 3pm. On Saturday, August 11, the group will meet to discuss Michael Chabon's *Moonglow*.

The deathbed confession of a man the narrator refers to only as "my grandfather" is a tale of madness, of war and adventure, of sex and marriage and desire, of existential doubt and model rocketry, of the shining aspirations and demonic underpinnings of American technological accomplishment at midcentury, and, above all, of the destructive impact-and the creative power-of keeping secrets and telling lies.

Copies of *Moonglow* are available in various formats including regular print, large print, audiobook on CD and downloadable eBook, which may be requested online by visiting the library catalog at [www.nols.org](http://www.nols.org). A limited number of copies of each book discussion selection are available at the Library the month prior to each meeting. To view a complete list of the 2018 selections, visit [www.nols.org/book-discussion-groups](http://www.nols.org/book-discussion-groups).

This program is generously supported by the Friends of the Sequim Library. To participate, simply read the book and attend the discussion; no reservations are needed, and drop-ins are always welcome.

The Sequim Branch Library is located at 630 North Sequim Avenue. For more information about this and other programs for readers and book lovers, visit [www.nols.org](http://www.nols.org), email [Discover@nols.org](mailto:Discover@nols.org), or call 360.683.1161.

*“Moonglow” by Michael Chabon will be discussed at 3pm on Saturday,  
August 11 at the Sequim Branch Library.*
