The Port Angeles Community Players Children's Theater will present their summer show *Haphazardly Ever After* at the Port Angeles Main Library at 6:30pm on Monday, August 13.

Tons of magical fun awaits in this original, one-of-a-kind fractured fairy tale farce! A kind king and queen have trouble in their royal family—four obnoxious adult children still living at home, so they call upon the fairy godmother to help. Of course, nothing goes as planned, but everyone is changed by their experiences. And through a series of haphazard events, the royal family just might live happily ever after, after all. Written by Jeff Fluharty, this zany tale was published by Pioneer Drama Service, Inc.

### **About the Port Angeles Community Players Children's Theater**

The Port Angeles Community Players Children's Theater is an ongoing program designed to encourage local young people to become involved with the theater. Housed at the Port Angeles Community Playhouse at 1235 E. Lauridsen Boulevard, 2018 marks the third year the group has offered the show at the Port Angeles Main Library. ### **About the Summer Reading Program**

The theme for the 2018 Summer Reading Program is *Libraries Rock!* This summertime celebration, which encourages children to keep reading during the summer break from school, features a reading challenge and a multitude of events for all ages. Research shows that children who do not read during the summer experience “summer slide” and may lose up to a month of the instructional knowledge they gained during the previous school year. Library summer reading programs have been shown to help alleviate the “summer slide” by providing access to books, enrichment activities, and encouraging young people to keep reading. The 2018 Summer Reading Program runs June 16 through August 18.

The Summer Reading Program is generously supported by the Friends of the Library at all four NOLS libraries. For more information about the Summer Reading Program and other events, visit [www.nols.org/srp](http://www.nols.org/srp), call 360.417.8500, or email [discover@nols.org](mailto:discover@nols.org).
