Attachments: *Victoria Redhead Miller.jpg*

Victoria Redhead Miller, author of *From No-knead to Sourdough: A Simpler Approach to Handmade Bread* will present on making your own sourdough starter at all North Olympic Library System (NOLS) locations in September. The schedule is as follows:

Tuesday, September 11 at 6pm: Sequim Branch Library

Thursday, September 20 at 6pm: Port Angeles Main Library

Friday, September 28 at 1pm: Clallam Bay Branch Library

Friday, September 28 at 4pm: Forks Branch Library

Sourdough starter, activated by wild yeast, can be used for making a lot more than just loaf breads and pizza. Miller will show that it's easier to use and keep than you might think. She will provide instruction on making, maintaining, and baking with sourdough in your own kitchen. Register now to go home with your very own jar of sourdough starter!

Victoria Redhed Miller lives on a 40-acre off-the-grid farm outside of Sequim. In her newest book, she blends her own journey toward self-reliance with her fascination for

traditional homesteading skills and love of good food. Miller's previous books include *Craft Distilling* and *Pure Poultry*.

Space is limited and registration is required to attend. Register at [www.nols.org](http://www.nols.org) or by contacting your local NOLS branch. Participants are invited to bring their own pint-sized jars with a wide mouth and a lid; jars will be provided if you don't have one. Miller will have copies of her books for sale and signing after each presentation.

This program has been generously funded by Friends of the Library Groups. For additional information about this and other upcoming programs at your Library, visit [www.nols.org](http://www.nols.org), email [discover@nols.org](mailto:discover@nols.org), or contact your nearby NOLS branch location.
