Re: Port Angeles Main Library to be without water September 24

Due to a City of Port Angeles Public Works & Utilities project on Whidbey Avenue, the Port Angeles Main Library will be without water on Monday, September 24. During this time, public restrooms will not be available and sinks and water fountains in the building will not work. The Library will remain open normal hours and all other services will remain available.

Water is expected to be turned back on to the Port Angeles Main Library by the end of the day on September 24 and all services should be available again on September 25.

For additional information, contact Assistant Library Director Noah Glaude at [nglaude@nols.org](mailto:nglaude@nols.org) or 360.417.8500 x7717. The Port Angeles Main Library is located at 2210 South Peabody Street in Port Angeles.
