Re: *Junior Science Explorers* at the Sequim Branch Library  
Attached:

*Junior Science Explorers* will be offered at the Sequim Branch of the North Olympic Library System (NOLS) on Saturday, October 13 at 12:30pm. Nurture your child's natural sense of adventure and curiosity, encourage your child to be a persistent problem solver, and introduce your child to basic elements of scientific reasoning with preschool and primary science activities. Designed for children ages 4-6 and their caregivers, *Junior Science Explorers* will introduce children to the scientific concepts behind rocketry. Children and their caregivers will learn about, build, and take home a rocket for future explorations.

Due to class size limitations, registration is required for this program. To register, visit the Sequim Branch Library events calendar at [www.nols.org](http://www.nols.org), call the library at 360.683.1161, or email [youth@nols.org](mailto:youth@nols.org). All materials will be provided.

## **ADDITIONAL INFORMATION**

For more information about this and other programs for youth, contact the Sequim Branch Library at 360.683.1161, send an email to [Youth@nols.org](mailto:Youth@nols.org), or visit [www.nols.org](http://www.nols.org). The Sequim Branch Library is located at 630 North Sequim Avenue in Sequim. This program is generously supported by the Friends of Sequim Library.
