Re: *Kids Create Art* at the Sequim Branch Library
Attached:

Kids Create Art will be offered at the Sequim Branch of the North Olympic Library System (NOLS) beginning in October. Led by local artists, the Kids Create Art program series—recommended for ages 7 to 12—creates fun, hands-on opportunities for children to explore various artistic media. All classes will take place from 10:30am to 11:30am every third Saturday of the month.

Due to class size limitations, registration is required for this program. To register, visit the Sequim Branch Library events calendar at www.nols.org, call the library at 360.683.1161, or email youth@nols.org. All materials will be provided.

October 20:

“The Color of Eggplants” with artist Carrie Rodlend

In this class, children will uncover the mysteries of color mixing and take these skills into a delicious composition of the purple and greens of the glorious eggplant.

November 17:

Egyptian Art with artist Eva Kozun

Using Brass Foil sheets, this project will highlight Egyptian art. Students will walk away with a

cartouche to wear and a postcard size "Egyptian-inspired" drawing in raised relief.

December 15:

Felt Jewelry with artist: Lauralee DeLuca

Students will get their hands wet and very clean, all while having fun learning the ancient art of felting with wool. They will create unique art pieces such as wet felted jewelry and chains.
