Calling All Teens! From “trash” to “transformation”- you can tailor and redesign your very own Halloween costume by using repurposed materials and old costumes! The Port Angeles Main Library of the North Olympic Library System (NOLS) will host *Trashy Fashion* on Friday, October 12 from 2-5pm.

Learn basic sewing skills and master your creativity by rethinking textiles and creating something new! Make your own unique costume using old costumes and recycled goods. In partnership with Clallam County Waste Reduction and WSU Extension, Megan Davis will guide teens through the costume-making process using a variety of materials, sewing machines, and hot glue guns. There will be a fashion show celebration at the end to show off your creations.
