Re: Introduction to Quilling  
Attached: *Quilling Project.jpg*

Create your own quilled art at an Introduction to Quilling workshop at the Port Angeles Main Library of the North Olympic Library System (NOLS)! Quilling is an art form that involves the use of strips of paper that are rolled, shaped, and glued together to create decorative designs. Register early for this workshop held on Saturday, October 27 from 1-4pm.

Local quilling expert Carie Metcalf will lead this fun, free quilling workshop for adults. Learn about basic quilling techniques and supplies, complete a fun fall-themed project, and leave with a few starter supplies including a quilling tool! Program is for adults 18 and older. Space is limited to first 20 participants, so registration is required. Register at [www.nols.org](http://www.nols.org), or by contacting the Port Angeles Main Library.

This program is made possible by the generous support of the Port Angeles Friends of the Library. For more information about this and other upcoming programs at your library, visit [www.nols.org](http://www.nols.org), call the library at 360.417.8500, or email [Discover@nols.org](mailto:Discover@nols.org). The Port Angeles Main Library is located at 2210 South Peabody Street.
