The North Olympic Library System (NOLS) is hitting the road for a special fishy storytime at Feiro Marine Life Center on Friday, November 30 at 10:30am. Bring the little one in your life to hear fishy tales, sing sea life songs, and move like a jellyfish! After storytime, participants are welcome to explore the Feiro Marine Life Center for free.

This storytime is designed with children under 5 years old in mind and to encourage parents and caregivers to sing, talk, play, read, and write with the children in their lives. Storytime on the Road is part of NOLS' efforts to have storytime outside Library walls. Having storytime in a location like the Feiro Marine Life Center encourages people to explore different parts of the community and introduces new vocabulary and conversation, both of which are key early literacy skills.

Feiro Marine Life Center is located at 315 N Lincoln Street in Port Angeles (on the pier). To learn more about this program, visit www.nols.org, email Youth@nols.org, or call 360.417.8500.
