Re: Second Saturday Science at the Sequim Branch Library  
Attached: *Robot Garage.jpg*

*Second Saturday Science* at the Sequim Branch of the North Olympic Library System (NOLS) will offer *Robot Garage* on Saturday, January 12 from 10:30am-12:30pm. The *Second Saturday Science* series—for ages 7 to 12—creates fun, hands-on opportunities for children to explore concepts related to science, technology, engineering, and math (STEM).

The January session is a special two-hour program offered by the Museum of Flight. In *Robot Garage*, participants will use robotics kits to explore the engineering skills required to build a successful extraterrestrial rover. The history and latest achievements of robots will also be discussed.

This program is free to attend, but with class sizes limited, registration is required. To register, visit the Sequim Branch Library events calendar at [www.nols.org](http://www.nols.org), call the library at 360.683.1161, or send an email to [youth@nols.org](mailto:youth@nols.org). All materials will be provided.

## **ADDITIONAL INFORMATION**

For more information about this and other programs for youth, contact the Sequim Branch Library at 360.683.1161, send an email to [Youth@nols.org](mailto:Youth@nols.org), or visit [www.nols.org](http://www.nols.org). The Sequim

Branch Library is located at 630 North Sequim Avenue in Sequim. This program is generously supported by the Friends of Sequim Library.

*Register your child now for Second Saturday Science on January 12.*
