Kids Create Art will be offered at the Sequim Branch of the North Olympic Library System (NOLS) on the third Saturday of every month January through April. Led by local artists, the Kids Create Art program series—recommended for ages 7 to 12—creates fun, hands-on opportunities for children to explore various artistic media. All classes will take place from 10:30am to 11:30am.

Registration is required for this program. To register, visit the Sequim Branch Library events calendar at www.nols.org, call the library at 360.683.1161, or email youth@nols.org. All materials will be provided.

Class Schedule:

January 19: Barn Owl Nightscape with artist Minda Corey

Participants will experiment with multi-media techniques using paper, chalk pastels, and pens. Blending chalk techniques, color placement for texture, and adding detail with pens will be taught.

February 16: Interior Design with artist Kristy Hilliker

Students will be introduced to interior design basics such as floor plans, color schemes, and concept boards, while designing a dream bedroom.

March 16: Beading with artist Shayann Hoffer

Children will learn basic bead-jewelry making techniques for creating necklaces, bracelets, keychains, bookmarks, and ornaments.

April 20: Umbrellas with artist Eva Kozun

Participants will create a mixed media umbrella project using a variety of paper types and coloring tools. Umbrella history and design will be discussed.
