Enjoy a zero-waste afternoon of paper crafts, hot tea, and good company with the North Olympic Library System (NOLS), Clallam County Waste Prevention, and WSU Extension. *CreativiTea* programs will be held at the Port Angeles Main Library on Monday, February 11 at 6pm, and the Clallam Bay Branch Library on Monday, February 25 at 5:30pm.

Attendees will be repurposing nuts, bolts, plastic straws, books, and other materials to create wearable jewelry. There will be plenty of time to chat, sip, and add personal touches to your repurposed creations with a variety of craft supplies. This workshop is appropriate for teens and adults. Registration is not required.

All supplies are provided. This program is generously supported by the Friends of the Library and is a partnership with the Clallam County Waste Prevention Program and WSU Extension.

The Port Angeles Main Library is located at 2210 South Peabody Street. The Clallam Bay Branch Library is located at 16990 Highway 112. To learn more about this and other programs at your library, visit www.nols.org, call 360.417.8500, or email Discover@nols.org.
