Join family performer and teaching artist Andy Furgeson of Red Yarn for a special puppet-building workshop at the Port Angeles Main Library of the North Olympic Library System (NOLS). This workshop will take place on Friday, March 1 from 4-6pm.

Participants will build elaborate animal puppets from paper, foam, fabric, and yarn, and will learn puppetry techniques to put their new puppets to use! All workshops are free, but class size is limited, so registration is encouraged. To register, visit the events calendar at www.nols.org or email Youth@nols.org. All materials will be provided. The workshop is recommended for ages 8 and up.

In addition to his successful career performing under the name Red Yarn, Furgeson has been teaching music, puppetry & art in elementary & preschools for over a decade. He was Young Audiences of Oregon & SW Washington's Teaching Artist of the Year in 2015.
