The Second Tuesday Book Discussion Group meets at the Port Angeles Main Library of the North Olympic Library System (NOLS) every second Tuesday of the month at 11 am. On Tuesday, March 12, the group will discuss *It's All Relative* by A.J. Jacobs.

An epic, hilarious, and heartfelt adventure into the idea of family – where it begins and how far it goes – and what it has to tell us about our biology and our genetics, our tribes and our traditions, and our history and future. A.J. Jacobs has received some strange emails over the years, but this note was perhaps the strangest: “You don’t know me, but my wife is your eighth cousin. And we have over 80,000 relatives of yours in our database.” Who are these people, A.J. wondered, and how do I find them? So began Jacobs’s three-year adventure along the branches of the world’s family tree. Spanning both the globe and the genome, Jacobs’s quest joyously upends what we think about when we think about family.
