The North Olympic Library System (NOLS) is pleased to announce it has recently added TeenBookCloud to its list of free online resources. TeenBookCloud is a streaming service with a digital collection focused on middle school and high school readers. It offers people of all reading levels access to a robust collection of eBooks, enhanced eBooks, audiobooks, graphic novels, National Geographic videos, and hundreds of quizzes and other teacher resources. Books also feature adjustable text sizes, full narration, and a read-along function which highlights text as it is read.

This collection is available around the clock with your NOLS library card. No downloads, no waiting - if you can access the internet, you can be reading, watching, or listening to content immediately! Visit [www.nols.org/teenbookcloud](http://www.nols.org/teenbookcloud) to get started.

If you don't have a NOLS library card, you can sign up for one online or by visiting any NOLS branch with your photo ID. For more information about this and other NOLS online resources, visit [www.nols.org](http://www.nols.org), call 360.417. 8500, or email [Discover@nols.org](mailto:Discover@nols.org).

*Access TeenBookCloud for free with your NOLS Library Card.*
