Re: Book donations on hold at Port Angeles Main Library

The Port Angeles Main Library's staff workroom will undergo renovations March 18 through April 12. The renovation project will focus on replacing nearly 2,600 square feet of worn carpet, constructing a wall to better define work spaces, increasing network and power access, and updating furniture to provide a more efficient work environment. The library will remain open throughout the project with very limited service interruptions.

Due to space constraints during the renovation project, all material donations (books, CDs, DVDs, etc.) will not be accepted at the Port Angeles Main Library March 18 through April 12. Although some minor interruptions are expected as a result of temporarily relocated furniture and equipment, all other library services will remain available throughout the project.

The renovation project is part of NOLS' Ten Year Capital Plan, funded as part of the North Olympic Library System's 2019 Capital Improvement budget. For additional information, contact Assistant Library Director Noah Glaude at nглаude@nols.org or 360.417.8500 x7717.
