Re: The Buzz About Bees
Attached: *honey bee.jpg*

What's all the buzz about bees? Find out at the Clallam Bay Library of the North Olympic Library System (NOLS), on Friday, May 10 at 2pm. Herb Senft, horticulturist and community outreach leader for the North Olympic Peninsula Bee Keeper's Association, will share his knowledge about these amazing, irreplaceable creatures. He will discuss general information about bees, the threats they face, as well as how to help protect and preserve crucial local bee populations.

Herb Senft is an officer of the North Olympic Peninsula Bee Keeper's Association, and the retired owner of Skyline Nursery who propagated rare and unusual trees and perennials in the Sequim and Port Angeles area since the early 1980's. The nursery may be closed, but he has kept his plant websites going in hopes to assist others in landscaping their own property.

This program is supported by the Clallam Bay Friends of the Library. For more information about this and other events happening at the Library, visit www.nols.org, email Discover@nols.org, or call 360.963.2414. The Clallam Bay Branch Library is located at 16990 Highway 112 in Clallam Bay.

Get the Buzz About Bees on Friday, May 10 at 2pm.
