Re: Free Microsoft Certification Exams
Attachments: *Imagine Academy Student sm.jpg*

The North Olympic Library System (NOLS), in partnership with the Washington State Library, is offering testing sessions for Microsoft Office Specialist (MOS) and Microsoft Technology Associate certification exams at NO CHARGE. Market value for a MOS exam is typically between \$99 and \$130 per exam, depending on the location. Testing will be held at the Port Angeles Main Library on Monday, June 17, from 5pm-7pm.

Limited space is available and registration is required at www.nols.org/certifications. Multiple one-hour sessions are available at this event, but it is only possible to take one exam per session (you have 50 minutes to complete each exam). If you wish to take multiple exams, please register for multiple sessions. If you're unable to attend this session, contact ehelp@nols.org to schedule an individual testing appointment with library staff.

Library cardholders can log in to Lynda.com for free, to access online courses to help prepare for the exams. For additional information about these certifications and preparing for the exams, visit www.nols.org/certifications.

The Port Angeles Main Library is located at 2210 South Peabody Street. For more information, call 360.417.8500 or email ehelp@nols.org.
