Been up to a bit of spring cleaning? The North Olympic Library System and the American Library Association encourage you to Choose Privacy Every Day by protecting your personal information. In exchange for a voluntary donation supporting the Port Angeles Food Bank, community members can drop off up to 2 bags of documents on Saturday, June 1, from 10am to 1pm at a convenient drive-through and drop-off shredding service. Donations of non-perishable food or monetary contributions will be accepted, but not required to participate. Please stay in your vehicle and follow the directions of volunteers. Limit 2 grocery-sized bags of paper per person.

This shredding service will be provided by LeMay Mobile Shredding and is appropriate for confidential papers containing personal information that you need to dispose of, such as bills, receipts, legal documents, medical records, and more. Paper only; no disks, CDs, DVDs, flashdrives, or other media storage can be accepted. Staples, paperclips, and rubber bands are ok, but binders, rings, and hanging file folders must be removed. All documents will be destroyed on-site and all paper will be recycled. LeMay Mobile Shredding personnel are certified by the National Association of Information Destruction.

This program is offered in partnership with the Port Angeles Food Bank and is generously supported by the Port Angeles Friends of the Library. Participants are welcome to bring a bag of non-perishable food or a monetary donation of \$10 (checks preferred, but cash and cards also accepted) to benefit the PAFB.

For more information about this and other upcoming programs at your library, visit www.nols.org and select "Events," call the library at 360.417.8500, or email Discover@nols.org. The Port Angeles Main Library is located at 2210 South Peabody Street.
