Need something to read on your commute? With the new *Read & Ride* program, it's easy-- just grab a book while you're on the bus! Take a seat on the bus and settle in-- we've got your reading needs covered. The North Olympic Library System (NOLS) has partnered with Clallam Transit System to provide reading material for your journey. Thanks to donations from the North Olympic Library Foundation, select bus routes now have books and magazines that you can read and return or read and share with someone else. Jump on board and *Read & Ride* today!

Clallam Transit System's bus routes included in the *Read & Ride* program are Route 14 - Forks, Route 30 – Sequim, and the Strait Shot route to Bainbridge Island Ferry terminal. The Clallam Transit System provides bus service throughout Clallam County. For information on bus schedules and routes, visit www.clallamtransit.com.
