Kids Create Art will be offered at the Sequim Branch of the North Olympic Library System (NOLS) on the third Saturday of every month October through December. Led by local artists, the Kids Create Art program series—recommended for ages 7 to 12—creates fun, hands-on opportunities for children to explore various artistic media. All classes will take place from 10:30am to 11:30am.

Registration is required for these programs. To register, visit the Sequim Branch Library events calendar at www.nols.org, call the library at 360.683.1161, or email youth@nols.org. All materials will be provided.

Class Schedule:

October 19:

Marine Debris Art with Sequim artist Eva Kozun

Participants will create an underwater seascape collage with the realistic addition of plastics and trash. Discussion will introduce students to the collage process in art and the problems of global marine debris.

November 16:

Beaded Driftwood Mobiles with Chimacum artist Shayann Hoffer

In this workshop students will create beaded mobiles with driftwood and other found objects.

December 21:

The Return of Light: Solstice Candles with Sequim artist Carrie Rodlend

The theme for this workshop will focus on exploring concentric and parallel lines, form and structure, design and spatial relationships, while working with oil pastel and water color resist.
