LEGO® bricks are not just for the kids in your life! Join the North Olympic Library System (NOLS) at the Midtown Public House to enjoy an hour of building with LEGO® bricks in a setting that is as relaxed as it is playful. Adults ages 21 and older can unwind with a cold beverage and play, create, and connect. *Bricks & Brews* will be held at the Midtown Public House in Port Angeles on Tuesday, November 5 at 6pm and again on Tuesday, December 3 at 6pm.

Take a break from your everyday stresses and tap into your youth as you create something with no pressure or expectations. Building with LEGO® bricks as an adult can help you fully engage in the present in a mindful way, just like children do. Best of all, you don't have to clean them up after you're finished! ***All LEGO® bricks will be provided, though you will be responsible for purchasing your own food and beverages.***

This program is generously funded by the Port Angeles Friends of the Library. To learn more about this program, visit www.nols.org, call 360.417.8500, or email Discover@nols.org. The Midtown Public House is located at 633 E First Street. The Port Angeles Main Library is located at 2210 South Peabody Street.
