The Sequim Branch Library of North Olympic Library System (NOLS) is hosting a monthly *Teen Tech Lounge*. This monthly space for teens includes access to the NOLS' mobile laptop lab, Jackbox Games, Oculus virtual reality, crafts, snacks, and more. The *Teen Tech Lounge* provides a safe and inclusive teen-only space to hang out, try out new technology, and connect with peers. Sessions will be held on the third Thursday of the month, through May, from 3-4:30pm.

Virtual reality participants must be 13 or older and a signed parent release is required. Virtual reality waivers can be picked up at the branch or downloaded at www.nols.org.

The Sequim Branch Library is located at 630 North Sequim Avenue. To learn more about this and other programs at your library, visit www.nols.org, call 360.417.8500, or email Youth@nols.org.

Teen Tech Lounge will be held third Thursdays of the month through May at the Sequim Branch Library.
