The Second Tuesday Book Discussion Group meets at the Port Angeles Main Library of the North Olympic Library System (NOLS) every second Tuesday of the month at 11am. On Tuesday, January 14, the group will discuss *The Bonesetter's Daughter* by Amy Tan. To participate, simply read the book and attend the discussion; no reservations are needed, and drop-ins are always welcome.

Set in contemporary San Francisco and a Chinese village where Peking Man is unearthed, *The Bonesetter's Daughter* is an excavation of the human spirit: the past, its deepest wounds, and its most profound hopes. This is the story of LuLing Young, who searches for the name of her mother, the daughter of the famous Bonesetter from the Mouth of the Mountain. The story conjures the pain of broken dreams, the power of myths, and the strength of love that enables us to recover in memory what we have lost in grief.

Copies of this title are available in various formats including regular print, large print, audiobook on CD, and downloadable eBook, which may be requested online by visiting the library catalog at www.nols.org. A limited number of copies of each book discussion selection are available at the Library the month prior to each meeting.

This program is generously supported by a donation made in memory of Sally Albiso, and the Port Angeles Friends of the Library. The Port Angeles Main Library is located at 2210 South Peabody Street in Port Angeles. For more information about book discussion groups at your library, visit www.nols.org, call 360.417.8500, or email discover@nols.org.
