The Wednesday Evening Book Discussion Group meets every fourth Wednesday of the month at 6:30pm at the Port Angeles Main Library of the North Olympic Library System (NOLS). On March 25 the group will meet to discuss *Homo Deus: A Brief History of Tomorrow* by Yuval Noah Harari. Over the past century humankind has managed to do the impossible and rein in famine, plague, and war. This may seem hard to accept, but, as Harari explains famine, plague, and war have been transformed from incomprehensible and uncontrollable forces of nature into manageable challenges.

Copies of this title are available in various formats including regular print, large print, and downloadable eBook, which may be requested online by visiting the library catalog at www.nols.org. A limited number of copies of each book discussion selection are available at the Library the month prior to each meeting. To participate, simply read the book and attend the discussion; drop-ins are always welcome.

This program is generously supported by a donation made in memory of Sally Albiso, and the Port Angeles Friends of the Library. The Port Angeles Main Library is located at 2210 South Peabody Street in Port Angeles. For more information about book discussion groups at your library, visit www.nols.org, call 360.417.8500, or email Discover@nols.org.
