As part of the Summer Reading Program, the North Olympic Library System (NOLS) program *Books & Libations* has been reorganized to provide you with book suggestions and tea tasting—now contact-free! Enjoy perfect pairings at this event co-hosted by NOLS, Goodness Tea, and your home kitchen! Learn about great new books and delicious local tea blends at this fun program for adults, held nightly, July 20 – July 25 at 7pm on Zoom. Registration required; register at www.nols.org/books-libations. The first 100 participants will receive a sampler of Goodness Tea products, to be picked up at a library branch (limit one per household).

Brew your tea at home according to the provided instructions, and tune in to the Zoom meeting. Every day of the program, participants will sample one delicious tea and hear about one new book. Each book has been perfectly paired with each of the teas, with titles ranging from classics to sci-fi to literary fiction, matched in tone and intensity to herbal and chai teas and hot chocolate.

Listen to the program live every evening, from 7 to 7:30pm, through Zoom online or over the phone. All are welcome to attend the program; interested participants not eligible for tea-tasting packs will be provided with alternate options to look for at your local grocery or specialty store.

“Tea-go” packs are suitable for making up to 2 cups of tea per tea flavor; thank you for sharing with others in your home so more community members can participate! “Tea-go” pack pick-up will be coordinated as curbside service. About the Summer Reading Program

The theme for the 2020 Summer Reading Program is *Imagine Your Story*. Due to COVID-19, the Summer Reading Program looks a little different than past years, with events being virtual, but still includes a reading challenge with incentives to earn a special NOLS T-shirt and chances to win awesome grand prizes. Visit www.nols.org/srp to learn all about it! The program runs through August 15. For additional activities that encourage reading, writing, creating, and connecting, be sure to follow North Olympic Library System on Facebook and Instagram.

The Summer Reading Program is generously supported by the Friends of the Library at all four NOLS libraries. For more information about the Summer Reading Program, visit www.nols.org/srp, call 360.417.8500, or email Discover@nols.org.
