The North Olympic Library System (NOLS) NOLS is seeking feedback about your experiences at the library. Complete the survey for a chance to win a \$25 gift card! Your response will help the library better understand and strengthen equity, diversity, and inclusion practices at NOLS.

The survey is available online at [nols.org/community-survey](https://nols.org/community-survey) in English and Spanish. Paper copies of the survey are available in English and Spanish at all NOLS branch libraries, and you can also complete the survey on an iPad during in-library hours. The survey will be available for just a few more days-- through Monday, May 17! It takes approximately 15 minutes to complete and all responses are anonymous. There is an option to give contact information to be eligible to win a gift card. Gift cards were generously donated by the North Olympic Library Foundation.

NOLS has partnered with Ascending Leadership, an equity, diversity, and inclusion consultant, to review policies, practices, collections, programs, and resources at the Library. Feedback from community members and organizations is an important part of the assessment. The goal is to learn more about how NOLS can best offer equitable and accessible services to all community members. Thanks for sharing your experience!
