As part of the Summer Reading Program, the North Olympic Library System (NOLS) is partnering with Feiro Marine Life Center to once again provide a morning of Tidepool Exploration. People of all ages are invited to learn about sea stars, anemones, and other treasures of the Salish Sea with Feiro educators. The event will begin at 9am on Monday, July 26 at Slip Point Lighthouse in Clallam Bay. Registration is required. Register at [nols.org](http://nols.org) or stop by your local NOLS branch library.

Participants are to meet at the lighthouse at the end of Frontier Street and should wear sturdy, nonslip shoes. Masks are encouraged, but not required. Youth 12 years and under must be accompanied by an adult. Feiro Marine Life Center is located on the Port Angeles City Pier and provides local marine and watershed learning experiences.

### **About the Summer Reading Program**

Sign up at [www.nols.org/srp](http://www.nols.org/srp) or at your local NOLS library to join the Summer Reading Challenge. For every 30 days you read, you can receive an entry into the Grand Prize Drawing (up to two entries). Each Grand Prize Drawing winner will be able to select one of the following prizes: a \$100 gift card to a local book store or restaurant, or a LEGO® set (up to \$100 in value)! Read for 30 days and earn a color-by-number Summer Reading Challenge T-

shirt-- express your creativity by filling it in yourself! Whether you read for 20 minutes or 20 hours, it counts as a reading day! Track your reading through August 20.

Summer Reading Program grand prizes, T-shirts, books, and events are generously supported by Friends of the Library groups at all four NOLS branches.
