Re: In the Kitchen with NOLS: Colorful Spices

As part of the Summer Reading Program, the North Olympic Library System (NOLS) invites adults to join library staff in a global exploration of colorful and flavorful spice blends and recipes. Learn about Z'atar, Japanese Curry, Berbere, Tex-Mex, and the many whole spices that make Pho taste so good! *In the Kitchen with NOLS: Colorful Spices* will be held on Thursday, August 12 at 6pm. The event will take place on Zoom; spice kits will be available for participants to take home and cook-along!

Register at [nols.org](http://nols.org) for the Zoom link and to reserve a spice kit, available for pick up beginning July 28. Kits include sample spice packets, recipes, and ingredient lists. Make a recipe along with staff if you wish, or save the packets and recipes to try out on your own.

### **Take the Summer Reading Challenge!**

Sign up at [www.nols.org/srp](http://www.nols.org/srp) or at your local NOLS library to join the Summer Reading Challenge. For every 30 days you read, you can receive an entry into the Grand Prize Drawing (up to two entries). Each Grand Prize Drawing winner will be able to select one of the following prizes: a \$100 gift card to a local book store or restaurant, or a LEGO® set (up to \$100 in value)! Read for 30 days and earn a color-by-number Summer Reading Challenge T-shirt-- express your creativity by filling it in yourself! Whether you read for 20 minutes or 20 hours, it counts as a reading day! Track your reading through August 20.

Summer Reading Program grand prizes, T-shirts, books, and events are generously supported by Friends of the Library groups at all four NOLS branches.
