Mr. Robert E. Sessions, president of Edward Dalton Company,

makers of Metrecal and other clinically validated special purpose nutritional products, announced this week that the Company is now the exclusive sponsor of the highly acclaimed documentary series, "Winston Churchill—The Valiant Years."
The Edward Dalton Company is a newly created division of Mead Johnson & Company. The Winston Churchill series, which can now be seen each Sunday at 10:30 PM, EST, in half-hour segments, has received exceptional critical ac-claim. It is based on Sir Winston's epic six-volume study of the Second World War and utilizes captured film footage, original drama and new visual techniques in its translation to the television medium. The story is told in Winston Chur-

chill's own words, reflecting his personal observations and involvements with the historic Sir Winston Churchill men and events of the Second Featured in the series is Noted actor Gary Merrill is Richard Burton, currently star-ring in Broadway's "Camelot." for the series was written by Mr. Burton is heard as the Richard Rodgers.

WITH FRENCH FRIED ONION RING AND GARLIC BREAD

Dried Beef served on shredded wheat biscuits. In some parts of the country, this is hearty breakfast fare. But for most of us, Creamed Dried Beef makes a singularly substantial and tasty luncheon dish. The shredded wheat biscuits are a favorite for this dish because of their toasty flavor and crisp texture. Toas biscuit halves. Then top them with an ample quantity of the CREAMED DRIED BEEF ON SHREDDED WHEAT BISCUITS 4-6 Kellogg's Shredded Wheat | 1/4 cup butter or margarine

1/4 cup flour 3 cups milk 1/4 pound dried beef Split shredded wheat biscuits from side to side. Toast halves under broiler. Shred dried beef. Melt butter; stir in flour. Add milk slowly, stirring constantly. Cook until thickened, stirring occasionally. Stir in dried beef; heat thoroughly. Place toasted biscuits, cut side up, in heated serving dish. Pour on creamed dried beef. Sprinkle with paprika, if desired. Yield: 6 servings.
