many accidents as men, but any man will tell you that they cause a lot more. Let's see you answer this! Dear Roy: They are being feminine. Have you ever known a woman to take the shortest distance WELCOME | between two points when asking a favor or answering a question? In n man's world, woman simply cannot be direct. However, don't be conceited just because you are a C-Q CAFE male. In their own baliwick, women usually make monkeys out of men. If you doubt this, try changing a baby's diaper and see who takes the shortest distance between two GOOD FOOD, APARTMENTS points and makes the wrong turn at the wrong time! Dear Abner: The other morning when I got out of bed I was in a hurry and was worried about several important things at the office. KILL THE BIG ONES IN THE Absent-mindedly, I used my wife's tooth brush. You would think I had leprosy and a dozen other diseases! When I reminded her she didn't think about germs when I kissed her, she said this was entirely different. Why are women so Keservations
