Sen. Dirksen

THE FARTHEST WEST

LAKK2 HIGH 2CHOOF

THE CONTINENTAL Debaters To Enter Ronald D. Warren Mrs. Aubrey **Clallam County Medicare Discussed** Debaters To Enter Olympic League

The Forks High debate team left February 24 for a three-day tours the appointment of Paul H. Conner, the appointment of Paul H. Conner, the sprintment of the people. Senatory Government of the People. Senatory of conducting a detacational campaign throughout the various states to acquaint the people with the responsible professing favorable action on Senate Joint Resolution 103, the Dirksen Amendment."

The Milk Walkington Conner of the Conners and middled the control of the Conners and middled the control of the Conners and middled the control of the control of the Conners and middled the control of the contr money later. This way they could other factors such as area or po- Sears Bake Off with her Magic Rev. Frank Workentine, a for- Two grandsons also survive. other factors such as area or political subdivisions. Spearheading the fight for the amendment is the fight for the Government of the People, organized in mid-January under Senator Dirksen's leadership.

"Those opposing the amendment are, in effect, arguing that the people of a state should no longer have a right which they have enjoyed since the states were formed."

"Those opposing the amendment the people of a state should no longer have a right which they have enjoyed since the states were formed."

"Two grandsons also survive.

Two grandsons also survive.

They had zest for everything. This philosophy took them pioneering on the San Juans, then to Alaska to teach Eskimo children, and later with their own children on a junket around the United States. They with their own children on a junket around the United States. They was necessary when it was necessary by doing whatever was absolutely by doing whatever was absolutely by doing whatever was absolutely by doing whatever came handy—breaking rocks, writing advertise ments, giving lectures, singing and look the things they enjoyed while they had zest for everything. This philosophy took them pioneering on the San Juans, then to Alaska to teach Eskimo children, and later with their own children on a junket around the United States. They was necessary by doing whatever was absolutely bear and opened the members around the United States. They was necessary by doing whatever came handy—breaking rocks, writing advertise ments, giving lectures, singing and look them pioneering on the San Juans. The Colley wit do the things they enjoyed while Mount Olympus Chapter No. 253, have a right which they have enjoyed since the states were formed—the right to select the kind of legislature they want," Conner Place in a bowl: ½ cup shorten-ing nour over it ½ cup boiling nour over it ½ cup hour over it ½ cup boiling nour over it ½ cup boiling noted.

"This is a battle that MUST be water. Beat ingredients until cold and creamy. Sift before measuring: Nation are to have just representation in the legislative halls of test of the legislative halls of test. Baking powder. 1/2 cup snortenting snortenting, pour over it 1/4 cup boiling he served for two years—until owners, farm tenants and their wives are eligible to vote.

After leaving Forks, where 8 p.m. to 10 p.m. Farmers, land owners, farm tenants and their wives are eligible to vote.

The election is to fill the expired term of Kenneth Peterson as District Supervisor who will be runting to the husing state of the served for two years—until some owners, farm tenants and their the United States, particularly life in the Pacific Northwest, new comers and old-timers alike will be runting to the husing state of term of Kenneth Peterson as District Supervisor who will be runting state of the served for two years—until some owners, farm tenants and their wives are eligible to vote.
