A SPECIAL LEVY WILL BE SUBMITTED BY THE QUILLAYUTE VALLEY SCHOOL DISTRICT NO. 402 TO THE PEOPLE ON TUESDAY, MAY 10. THE FOLLOWING FACTORS HAVE GUIDED THE SCHOOL BOARD DIRECTORS IN REACHING THIS DECISION:

1. The 1965 legislature failed to provide funds for a realistic budget to operate and maintain the school districts for the coming 1966-67 school year.

2. To maintain present staff members and attract necessary personnel

for next year to meet the educational requirements of the school

3. If funds are not provided through a special mill levy it will be necessary to limit supplies and services in certain areas to comply with whatever money is available to operate on.
