A good resolution for any year!

Karen Sandau, Queen of Forks artists planning to enter the 20th annual Pacific Northwest Arts and Crafts Foir Toles 202

One of the largest and most successful Fourth of July celebration for Forks was seen here last tions in Forks was seen here last weekend. The town was jumping and it is difficult to estimate the number of people who came from out of town to enjoy the gala three-day event.—Shall we say, there were literally thousands.

The general chairman of the entire celebration, Russ Thomas and his 50 or more chairmen, are to be commented on the tremendous task and responsibility involved in the planning and supervision of Oldest Man in Parade — Charlies the position of the second princes of the Lus foot and daughter of Mrs. Arts and Crafts Fair, July 29-31, in Bellevue, are reminded that the registration deadline is near. Personal registration deadline is near. Personal registration of entries was follow.

provides them with jobs, such as teacher aides, or clerical, maintenance, or recreational aides. They

work about 10 hours a week. With the money they earn, and the incen-

tive they gain from being able to work and earn money to meet their needs, many can remain in school to get the education and training

they will need to make their own

Head Start begins even earlier.

Head Start begins even earlier. This enormously successful program is the jewel in the OEO crown. It is essentially a pre-school program and is designed to help provide the children with the background they often fail to get at home. The goal is to improve these children's general background knowledge of their community and

knowledge of their community and the world in which they live, so

that when they enter first grade

they can start their formal education from a foundation more equal

to that of other children. This can

be a vital factor in their overall

educational achievement, and sub-

stantially reduce the need for NYC

and Job Corps programs in years

The Community Action Program

is not easily defined because its

purpose is more general. A CAP

of local people, who themselves hire the professional staff they think

necessary. The board also chooses

to develop programs they feel are

most responsive to the needs they find in their own community. This

could be a Senior Activity Center,

such as that in Bellingham. It might be the Central Area Motivation Program, designed to get at a local core of urban poverty, as in

Seattle. The CAP program might be aimed at the problems of an

Indian reservation, such as programs sponsored by the Makah,

In subsequent articles I will dis cuss these local programs in detail.

But it is important to remember

ing the causes of poverty in our

communities, that the emphasis is in discussing this concept of fight-

on local people, recognizing local

problems and creating local solu-

program, the War on Poverty is a local effort. And we in the Second

District have a great stake in mak-

ing it work. The alternative is to

accept the drain in finances and the

loss in human potential that will

ioned welfare doles which are a dead end, not only for the poor, but
